

FOR IMMEDIATE RELEASE:

\$7000 DONATION FROM SKYWARD CREDIT UNION TO GUADALUPE CLINIC

Wichita, K.S, March 6, 2020 – Skyward Credit Union is pleased to support Guadalupe Clinic in its mission to serve the community of Wichita, KS, to provide health care with respect and dignity for the “working poor” in our community, regardless of their ability to pay. With this donation, Skyward contributes to the fundraising activities for Clinic, such as the MidWest Winefest and local AAA baseball game night.

Guadalupe Clinic has more than 300 volunteers give their time and resources to support the mission of this clinic, which is the only freewill donation clinic in Wichita. Last year, Guadalupe Clinic served more than 2,100 individuals, providing 7,800+ visits at no cost to patients. Many patients do not have health insurance/coverage and would not ordinarily have access to health care were it not for Guadalupe Clinic.

Skyward Credit Union, formerly Cessna Employees Credit Union, was founded in 1941 and serves the employees and retirees of Textron Aviation, and their family members, including former employees and retirees of Cessna Aircraft Company, Beechcraft Corporation, Raytheon Aircraft Company, Beech Holdings and various subsidiaries that support Textron Aviation. Skyward has 17,000 members and \$343 million in assets.
