

Skyward Credit Union Donates to the Guadalupe Health Foundation

Wichita, KS, February 15, 2022 -- Skyward Credit Union is pleased to contribute \$7,500 to the Guadalupe Health Foundation, in support of this year's Midwest Winefest in Wichita, KS, taking place on April 21-22, 2022. This is the 25th year for the area's Midwest WinefestSM. Funds raised from Midwest Winefest have totaled more than \$5 million which directly go to support the Guadalupe Health Foundation and in turn are used to support their primary beneficiary, Guadalupe Clinic.

The Guadalupe Health Foundation is key to the long-term success and growth of Guadalupe Clinic, and the medical services they provide to those most in need in the Wichita community. Guadalupe Clinic was established in 1985 to provide health care with respect and dignity for the “working poor” in our community, regardless of their ability to pay. Patients can receive their care for no cost, and with no hidden fees. The Clinic receives no federal funding or insurance reimbursements. More than 300 volunteers give their time and talents and provide a crucial role in their success and ability to continue serving those in need.
